WG “Quality of recognition”

- EUA (WG leader)
- CIMEA (TPG B co-chair), Italy
- HARNO, Estonia
- Nuffic, Netherlands
- EQAR
- ESU

Objective and methodology

- Explore links between recognition and quality assurance
- Identify recommendations supporting quality as a trust-enhancing tool enabling recognition
- Through:
 - a survey among HEIs (shared in advance, open Feb-May 2023);
 - today's working group on the quality of recognition;
 - desk research on how recognition is approached by QA agencies in their HEI reviews;
 - survey potentially followed by online focus groups (e.g., with HEI representatives, students, ENQA).

Deliverable

- Report to be published in May 2024
- Containing:
 - outcomes from the survey, desk research and focus groups (TBC);
 - recommendations supporting a better implementation of the LRC and ESG 1.4.
- Building on outcomes of previous projects (e.g., Q-ENTRY, LIREQA)
