# EHEA newsletter

## Welcome to the First Newsletter of the 2024-27 Working Period!

So, we end a very busy 2024 in the European Higher Education Area, with a promise of even busier times ahead. The working structures of the previous period have all finished their tasks, delivered their reports, and the Ministers have communicated their commitments in the [Tirana Communiqué](#) and given a steer on the work of the next period.
